Daz,

Is this the final list?

Has the event been booked for the final number?

Someone has taken Hayleys name and my name off the list. We were at 19 and 20 all the way through until the final list and someone deleted us without our consent.

Please advise as I'm not driving all the way to Utoxeter without any seating allocation.

Also, we're supposed to be taking Ron & Sue & they're still on the list.

Please advise.

Mark
