All members,

Hayley & I are having a sort out & I'm going to give away all of my old mini mags. I've decided to take them to Himley, put a sign 'please take one they're free' on them & hope they all go. If any club members want them let me know and they can take the lot before I let other people have them. There's about 30 magazine from early 2006 onwards.

Hello Keith,

I know that Steveo is taking his mini & providing I can pick mine up before the weekend with a new MOT ticket, we'll be taking ours as well.

Will post more mid week, as although Daz & Sonia have a trade stand, we may convoy together. Also, I haven't got a clue who has got our tickets.

Regardless, lets re-start the list.

- 1) Sir Keith Davis.
  - 2) Stevo.
  - 3) Mark & Hayley.

No, Mojo is fine but we will have the little rat with us and she would just be a pain if we had to stay all day. And because of the child sitter shortage(I aren't allowed to call them baby sitters any more as she is nearly a grown up so she tells me) we haven't been able to contribute to any of the work you guys have put in to get the stand together.

Thanks its really good of you to offer, but when I mentioned it to Daz he gave me one of those looks and said that we could only be at the show for a couple of hours cuz he has a car in the garage that someone wants finished for next year. I think that was his way of telling me that he has got a lot of work to do. And I really do want it finished as soon as possible so I can't really complain. But I will talk him in to coming down with the club even if we have to go and get breakfast and wait for the show to open, cuz I know you will have to be there before to set up. Is there any chance of you being near to the directory stand so that you are within spitting and insult throwing distance ? (I read Sams comment)

Went over Daz & Sonia's tonight & picked up the show tickets for Sunday.

---

Tickets show an entry fee of £6 per adult in each car & I have ten tickets for ten cars.

We are supposed to be at the show for 0900am so can we all meet at the Petrol station on the A5 between M6 junction 12 and the A449 at about 0750am for a departure as near as possible to 0800am. We can then convoy to Himley.

Sir Keith,

For your Inofrmation head M6 south, get off at junction 12, turn right sign-posted A5 Telford, the garage is about two miles down the road on your right.

If anyone needs to contact me with any reservations about the details above, please contact Daz as he has my new mobile number.

Many thanks

Mark

Mark

Emma & family,

Can't see a problem with you coming in the mini. We can get the car on the stand then just make an excuse when it's time to go.
