## Staffsminis back on msn

Posted by Dazzler - 2008/01/20 11:09

---

This thread discusses the Content article: Staffsminis back on msn

So then guys...

do i delete the list of names on there already and start a fresh, or keep all?

Dont be affraid new people, we dont bite, i know its nice to chat with someone first, it was how we built the club by chatting on msn to folk first

Daz

thought he was going to pass out yesteray when we had to wait 40 mins for our lunch at my cousins birthday party

he just got drunk instead lol

but anyhow add staffs to msn after all its good to talk
